Strength Of My Life - 2

Verse 2

Though my tears are pushed away now for the sake of morning rush
'Til the Bible on the table catches my eye
And I read that You are near
To the hearts that break with grief
And I realize that I don't have to try
To live life myself
Because You're ready to help me live

Verse 3

Each day has its problems its troubles and its tears
And it seems I'm always anything but strong
When I learn to know my weakness
I understand Your strength
And even when the hard times last so long
I won't try by myself
I'll just ask for Your help each day

Pre-Chorus 2

And ev'ry day I look to You
To be the strength of my life
Breathe on me and make me new
Be the strength of my life
