About the artist

I had approximately 9 where 10 years when I began the music in a battery(drum kit) - brass band. Then I continued my road by way of a harmony where I learnt a lot. Some piano lessons later, than I do not regretably have to lead eventually(later) and a military service in the music of the 8th RT of Suresnes, I learned about the direction(management) of harmony orchestra. I compose amateur, the music has to remain a pleasure.
