

# School Song (Wah Yan College, HK)

**S** Moderato con moto (♩ = 115)

*mf* (con spirito)

1. This is the dear school where we learn how to trea - sure, and keep for a  
3. Old boys of Wah Yan cher - rish fond re - col - lect - ions, of those who here

life - time all that's no - ble and to true. To Home serve the Lord God, in  
taught us, the the best things and to choose. of our friend - ships, in our

love hopes of our neigh - bour, O Wah Yan we are proud of and  
and af - fect - ions, O Wah Yan we all our

grate - ful to you. 2. lives we'll be wor - thy of you.

2. In all that we do whe - ther du - ty or plea - sure we count not the cost but un - sel - fish - ly strive, what's

25 mean and un - man - ly, we shun with dis - plea - sure come praise or come blame we hold our heads up high. **Dal Segno** **S**
