

Bad English - The time alone with you

F F
When everything is cloudy, and the sun won't shine for me
Bb C
And it seems like nothing's goin' right, there's a place I want to be
F
Just laying there beside you in the shelter of your room
Bb Bb
I leave the world outside your door, lose myself in you

Dm Bb
When you're in my arms, I find all that I need
Gm Eb C
I could never live without the heaven that you showed me

F Bb
I've been waiting all my life, just to look into your eyes
Gm Dm C
Only for the time alone with you
Dm C Bb
And when I climb the stairs to find you, and we reach for the light
Gm C F
I thank God I've got this time alone with you
FFBbC
F
Your kiss can captivate me, and your touch can set me free
Bb C
I count the hours, baby, till you are next to me
F F
And it's taken such a long time, to find someone that understands
Bb Bb
When I reach out for love now, I reach out for your hand

Dm Bb
When I feel your heart beat, it makes me come alive
Gm Eb C
I don't wanna live without something that is so right

Chorus:

I've been waiting all my life, just to look into your eyes
Only for the time alone with you
'Cos everytime I see your face, all my troubles fade away
Only for the time alone with you
And when I climb the stairs to find you, and we reach for the light
I thank God I've got this time alone with you

(Instrumental break)

chorus

Oh, this time alone with you
