I'm use-less with-out your love.

I'm call-ing, cry-ing out your name.

But when I

Please come back to me.

You know you're my

Who will be there when I need... some-one for me? Who will be there to dry my

eyes when I go down on my knees? I need you to say, wher - ev - er you go...

Verse 2:
 Goodbye is such a hard thing to say
 When you're wrong, I know,
 When you're my everything.
 And who will stay and care for me?
 When you're gone, I'll be all alone.
 Who will come and comfort me
 And fulfill my needs?
 Who will love me?
 Who will care?
 Who will be there
 When I need someone for me?
 Who will be there
 When I go down on my knees?
 I need you to say, . . .
