

# Trouble Is A Man

Music by Alec Wilder

A wo-man gets all the blame\_ for ev-'ry-thing that hap-pens un-der the  
 sun, But when it comes to be-in' bad, A wo-mans's not the on - ly one.  
 Troub - le is a man\_ a man who loves me no more, no more.\_  
 Troub - le is a man, A man I'll al - ways a - dore.  
 Noth - ing good to say\_ a - bout him, Still I hate a day\_ with - out him.  
 Why should he have to be the one', my on - ly? Troub - le is a man\_  
 A man who's hand - some and tall, so tall.\_ Troub - le is a man, who's for him -  
 self and that's all. A - fter all we planned\_ he did - n't mean it. Now I und - er stand\_  
 I should have seen it. Trou - ble is a man,\_ troub - le is a man\_ I love.
