Verse 2:

See him move through smoke and mirrors,
 Feel his presence in the crowd.
 Other girls, they gather round him;
 If I had him I wouldn't let him out.
 Goldeneye, my lace for leather,
 Golden chain break him to the spot.
 Goldeneye, I'll show him for ever:
 It'll take forever to see what I've got.

You'll never know how I watched you from the shadows as a child.
 You'll never know how it feels to get so close and be denied.
