D. S. for 2nd & 3rd verses

2. She dealt two cards, - a Queen and a Three,
And mumbled some words that were so strange to me,
And then she turned up a two-eyed Jack,
My eyes saw red but the card still stayed black.

* She said the man you love is secretly true
To someone else who is very close to you,
My advice is that you leave this place,
Never come back and forget you ever saw my face.

(CHORUS)

3. So I ran home and crawled in bed,
I couldn't sleep because of all the things she said
Then I remembered her strange perfume
And how I smelled it once in my own very room,
So I sneaked back and caught her with my man
Laughing and kissing 'til they saw the gun in my hand,
They begged for their lives and I lost my nerve
To shoot them both would be more than they deserve,

(CHORUS)

* Substitute Lines: She said the Jack's your lover who is secretly true
to a red-eyed woman who is very close to you.
