## Verse 3:

All this time I can't believe I couldn't see.  
 Kept in the dark, but you were there in front of me.  
 I've been sleeping a thousand years, it seems.  
 Got to open my eyes to everything.  
 Without a thought, without a voice, without a soul.  
 Don't let me die here.  
 There must be something more.  
 Bring me to life.  
 (To Chorus:)
