Verse 2

I remember someone old once said to me  
 that lies will lock you up with truth the only key.  
 But I was comfortable and warm inside my shell  
 and couldn't see this place would soon become my hell.  
 So is it better to tell and hurt or lie to save their face?  
 Well I guess the answer is don't do it in the first place.  
 I know I'm not deserving of your trust from you right now,  
 but if by chance you change your mind you know I will not  
 let you down 'cos we were the special two and will be again.
