**VERSE 2:**

You are far  
 I'm never gonna be your star  
 I'll pick up the pieces and mend my heart  
 Maybe I'll be strong enough  
 I don't know where to start  
 But I'll never find peace of mind  
 While I listen to my heart.  
 People you can never change the way they feel  
 Better let them do just what they will  
 For they will  
 If you let them steal your heart.  
 People  
 Will always make a lover feel a fool  
 But you knew I loved you  
 We could have shown you all la la la la la.

**VERSE 3:**

You are far  
 When I could have been your star  
 You listened to people  
 Who scared you to death and from my heart  
 Strange that I was wrong enough  
 To think you'd love me too  
 Guess you were kissing a fool  
 You must have been kissing a fool.
